

STEIN ASSISTED LIVING

at the Wilf Campus for Senior Living

September 18th, 2025

Dear Residents, Loved Ones, and Community Members,

As we enter this holiday season, we are filled with gratitude for the opportunity to welcome the New Year together. Rosh Hashanah invites us to reflect, renew, and rejoice— and we are excited to have meaningful services and festive meals that will bring sweetness and light to our community.

To continue prioritizing the health and well-being of all who call Stein home, we are unable to welcome additional guests to our holiday services and meals at this time. Families who wish to bring their loved one out for the holiday are welcome to do so; however, please note that a 48-hour precautionary quarantine will be required upon return. We deeply appreciate your understanding and partnership in keeping our community safe.

Looking ahead, we are also joyfully preparing for Sukkot. This holiday of gathering and gratitude will be marked by celebrations in our sukkah, shared meals, and opportunities for reflection and connection. Our team is committed to ensuring the season remains full of tradition, joy, and togetherness, even with safety measures in place. We will be sending out updates regarding Sukkot as the holiday gets closer, with details about how we will be celebrating on campus.

Thank you for walking beside us as we celebrate these cherished holidays in ways that honor both tradition and care. May this New Year and the festivals ahead bring peace, health, and blessings to you and all those you love.
